

ATR

Flight Safety Conference

29th – 30th November 2023

SMS addresses your operational challenges

Eliza PAL

SMS Manager

An accident that can be avoided

ATR

SMS addresses your operational challenges

The means to increase safety in your operations.

**REPORT
the near
miss**

ATR

SMS addresses your operational challenges

A means to identify the risks before they become contributing factors.

IDENTIFY THE RISKS

- Ground handling equipment damage
- Propeller damage
- Engine damage
- Fuselage damage
- People injuries

REPORT

IDENTIFY
RISKS

SMS addresses your operational challenges

Ways to mitigate the identified risks.

MITIGATE THE RISKS

- Training
- Tools
- Processes
- Procedures

Follow-up

Identify

SAFETY MANAGEMENT SYSTEM
It is not a goal...It is a journey!

Communicate

Mitigate

ATR

Building SMS for regional aircraft

Regional Flight Safety Conference 2016

Main lines

- Safety policy and objectives
- Safety risk management
- Safety assurance
- Safety promotion

Recommended videos

Airplane Emergency Exit Video

Put in place new processes

Best practices - Engine and Propeller Rigging Video

Optimized procedures

Reduce FOD occurrence

ATR

Ferry Flight Survival Kit

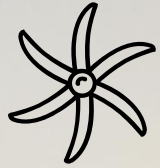

- Training
- Redimensioning the equipment
- Rethinking the essentials

Engagement
is driven by
results.

Conclusion

THE MEANS

To capture and identify risks in a proactive manner

A STRUCTURE

To act upon the precursors identified before they become a contributing factor

A MINDSET

To be built and be sustained for safer operations,
for safer skies
